Additional Notes:

- The 2-man kayak fits better on the 40 - 45 ft. monohulls than the 1 man.
 - Fishing Lines - The fishing basic rod is ideal for when at anchor but cannot be trawled. Your boat comes with finishing line. We recommend that you purchase lures if you want to fish in the Grenadines. Typically, we fish with hand lines and all the local fishermen do also – rods aren't very common.
 - Fins - If you have ordered Fins, please specify sizes and if you need XS or XL.
- Buoyancy Aids - Lifejackets are provided on all boats as standard safety equipment. Buoyancy Aids are ideal for weak swimmers or children.
 - Towels - Your yacht has one beach towel and one bath towel per person for 7-day charters. We also provide hand towels. If you need additional beach towels, please book in advance as we have limited supplies.
